

## PREFACE

This new volume dedicated to the 60<sup>th</sup> Anniversary of the establishment of the MUST, and to the 80<sup>th</sup> Anniversary of the Mongolian Geological Survey. The volume contains papers discussing bacterial paleontology, neotectonic, petrogenesis, geochronology, mineral resources and society news etc. There are authors from different geographic localities such as Mongolia, Japan, China, Australia, Russia and Czech.

Our editorial board members and invited reviewers have worked hardly to ensure the quality of the submitted manuscripts good. We are sure the published papers will have a significant contribution to the Mongolian Geology.

Dear geologists, researchers, authors and readers, we invite you to publish your new research findings in the Mongolian Geoscientist open access journal and distribute internationally.

The journal Editorial board members and Associate editors will always work to improve the quality, efficiency and standing of the journal.

### Thank you to our Editors and Invited Reviewers

We sincerely thank to the journal editorial team and invited editors of our open access volumes No 47, 48 and 49. They are the people who make an internationally peer reviewed, open access journal. Reviewer's helpful and constructive comments led to improvement in the each manuscript and successful volumes.
